RADIX

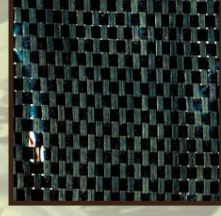

This product is specially designed to help vegetation establish an effective root base. Radix net is ideal for holding straw or hay in place while vegetation is established.

RADIX

Product Code	Dimensions	Color
79S08526	17.25' X 25000'	Green
79S08516	19.20' X 25000'	Green

SILT FENCE

Nothing beats silt fence at preventing work site soil loss. A lightweight woven fabric allows fluids to pass through while trapping soil particles, thus preventing soil loss from the work site. Tenax silt fence comes pre-attached to posts, so no expensive machinery is required for installation.
